

# Women of Today 20th Anniversary Pin

Congratulations, ladies! You've come a long way! What a milestone to celebrate 20 years of successes, impact on our communities, the personal growth of our members and tremendous leadership development through this great organization. 20 years of friendship and working together. 20 years of taking the vision and keeping it alive! We hope you will join the Illinois Women of Today in June to celebrate at the National Convention. In the meantime, we have a way to help you show your pride.

USWT 20th Anniversary Pins are available from the Illinois Women of Today. This gold and blue metal pin looks very sharp! Stock up now for your state meeting and chapter celebrations. Don't forget to get one for that special friend that recruited you.
