

## Live Inspired with Personal Development

Hello Personal Development state contacts and all. I've been getting more and more certifications and I LOVE it!! With your help, we'll achieve my goal of 50% of our membership certifying. Remember:

STEPS: The National President's Challenge for STEP II is participate in State Priority (local), STEP III's challenge is extend or intend to extend or be a part of an extension team, STEP IV's challenge is join a training team. We can all do that!

Incentives: My incentive is to get certified in our emphasis months of January or February. You can also certify in the other months as well. If you do certify in the emphasis months, your name will be placed into a drawing two times for a fabulous prize at the end of the year. If you certify in other months, your name will go into the drawing one time.

Challenge: My challenge for year end is to get more certifications in than your sister states. This challenge will go until year end so you've got the time and I KNOW you've got the talent to make this happen. A prize will go to the states with the highest percentage of certifications per membership numbers at year end. Good luck!

Speak and be heard! Remember to promote our speaking and writing competitions. For a year-end speaking competition, I want you to find your inner creative soul. Here is the background: create a TV commercial for USWT. 4- 6 minutes in length, requires attendance at the meeting and cost is \$5 (payable to USWT.)
