

My Name is Cindy Urlacher and I am so excited to be serving on the National Board as Treasurer. I have been married to Arnie for 22 years and we have three lovely children. Jessica, Justin and Jennifer.

My theme this year for 2011-2012 will be “Planting the Seed” and the logo is a money tree. First it becomes a seed and keeps growing and by the end of the year we will have a money tree.

Treasurers make sure your 990's are done and you have 4 months after your Women of Today Year has ended. The IRS is coming down on nonprofit organizations and if you don't file they will take your tax ID from you. Please don't let this happen to you. If you are not sure of what you need to do please let me know and I would be able to assist you or if someone in your state who knows please ask them for help.

I am looking for items for the store. Please send your suggestions in. I will be working on getting the store stocked before Mid-Year in October. What Items do you think your members would like to see in our National Store? The National store is a great place to get your incentives for your members. We need to promote the store this year and it would help if you could spread the word in your states. We need to keep this tree growing and you are the key to this success.

As soon as the store is stocked I will have the order sheet added to the website.
